Other item:

1. Under our specials, it is not Christmas in July anymore so need to remove that.
2. Under nursery plants page, we don't have fruit trees yet. That was from last year so delete the first line.
3. Under the greenhouse page it says "Asheville's Nursery Greenhouse" which doesn't make sense to me. Can we just call it "Israel's Greenhouse" or "Our Greenhouse" Also, the fonts on this page don't match. They are 2 different fonts and are different sizes.
4. Under the Seed & bulbs page, it's out of date. Delete the first section and only have it read "This is an example of what we have."
5. Working on sending pictures to Dropbox
